**About Hearings: A Hearing is about collecting evidence.  
It is not an informational meeting. It is not a Town Meeting.**

There is a public right to a “reasonable opportunity” to comment and express “opinion” on any matter under consideration at an open meeting, **“as long as order is maintained”** and “subject to reasonable rules established by the chairperson.” 1 V.S.A. § 312(h).

**How we maintain order:**

- Wait to be recognized before speaking
- State your name
- Address your comment or suggestion to the ZBA not the permit applicant
- 2- minutes speaking times
- No comments about permits not under ZBA jurisdiction
- No side conversations
- Suggestions for permit conditions are welcome
- The Chair will stop the speaker if they raise issues not under ZBA jurisdiction
- Failure to abide by these procedure guidelines may result in removal from the Hearing.
